**Builder Affidavit**

**Builder's Certification:**

Builder certifies that each New Home identified below complies with applicable Program requirements and provides TVA permission to perform quality assurance audits at each New Home. These audits and any Program inspections are solely for the benefit of the power distributor and TVA to help assure Program purposes are being achieved and create or imply no duty or obligations to Builder or any subsequent owner. Builder is responsible for making any inspections to protect Builder's interests. There is no GUARANTEE or WARRANTY, express or implied, from the power distributor or TVA as to any New Home.
